ever since the time of his early interpreters beginning with david hume adam smith s theory of value has been the subject of confusion and misunderstanding including a controversy which still rages over whether smith held a labour theory of value and if so whether he held to it throughout wealth of nations or if it was confined to the early and rude state this book provides a close reading of smith s key text and also incorporates material from the other parts of smith s oeuvre especially from the theory of moral sentiments to yield original and important insights into smith s theory of value the book operates on the assumption that smith is proposing relatively simple ideas about price and takes a conventional view that simple supply and demand models can illuminate clearly and consistently with his text his theory of price combining these elements the book argues that contra marx smith does not have a labour theory of value at all understood as a theory of the determination of the relative price structure instead smith is placed squarely in the supply and demand general equilibrium framework and the claim that he is part of a surplus tradition which receives its highest treatment in the work of piero sraffa is refuted this book will be of particular interest to adam smith specialists historians of economic thought and research economists who have an interest in smith

vols for 1898 1968 include a directory of publishers

this critical bibliography of adam smith takes as its starting point the kress library of business and economics 1939 catalogue of its vanderblue collection of smithiana since the bicentenary of the wealth of nations in 1976 the rate of international publication markedly accelerated significantly extending the scope of this bibliography beyond 1939 its scope has been further enlarged via the inclusion of essays on the diffusion process while the inclusion of all works in the chronological main bibliography gives an overview of the scope of this process the notes appended to the entries provide a running commentary to the gathering pace of publication and the entries are organised chronologically with systematic annotation throughout

vols for 1871 76 1913 14 include an extra number the christmas bookseller separately paged and not included in the consecutive numbering of the regular series
